

Resolution No. 4-6-20

**A Resolution to Adopt the  
National Incident Management System**

WHEREAS, emergency response to critical incidents, whether natural or manmade, requires integrated professional management; and

WHEREAS, unified command of such incidents is recognized as the management model to maximize the public safety response; and

WHEREAS, the National Incident Management System (NIMS) has been identified by the Federal Government as being the requisite emergency management system for all political subdivisions; and

WHEREAS, NIMS training is required under Homeland Security Presidential Directive (HSPD-5) to receive federal funding, contracts, grants, training, and reimbursement of disaster recovery costs; and

WHEREAS, failure to adopt NIMS as the requisite emergency management system may preclude reimbursement to the political subdivision for costs expended during and after a declared emergency or disaster, for training and preparation for such disasters or emergencies, and for eligibility for federal grants; now, therefore:

Be it resolved by the Township of Milford, Pike County, Pennsylvania as follows:

SECTION 1. The Township adopts the NIMS concept of emergency planning and incident command.

SECTION 2. In furtherance of NIMS, it is the policy of this Township to train public officials and employees responsible for emergency management.

SECTION 3. The Township directs that incident managers and response organizations in our

jurisdiction train and exercise the Incident Command System (ICS) and use it in their response operations.

This Resolution is duly adopted this 6<sup>th</sup> day of April, 2020, by the Milford Township Board of Supervisors.
