**June 22, 2021**  
**Milford Township Planning Commission Hybrid Meeting**  
**560 Rt. 6 & 209**  
**7:20 p.m.**

A meeting of Milford Township Planning Board was called to order at 7:20 P.M. by Chairman Robert DiLorenzo through a Zoom call, the contact information for which had been advertised in advance in the Pike County Dispatch. Also present in this Zoom meeting were Members Kevin Stroyan (Vice-Chairman) (present in person), Ray Willis, Peggy Emanuel, Solicitor Thomas Farley, and Secretary Shahana Shamim.

Mr. Stroyan made a motion to dispense all businesses of the agenda, and to advertise for resuming this meeting on July 7, 2021. He added that this meeting continuation would replace the scheduled workshop of July 7, 2021, and hence, there would be two regular meetings in the Month of July. The Solicitor asked the Secretary to note that this meeting could not be continued to June 29, 2021, as he himself would be on vacation. Mr. Stroyan explained that a new legislation had mandated hybrid or in person meetings, which would need to be advertised, and that's why this meeting had to be put to recess until July 7, 2021. Mr. Willis seconded to Mr. Stroyan's motion, and it passed unanimously.

There was no other business or executive session needed, so at 7:25 P.M., Mr. Stroyan made a motion to recess the meeting until July 7, 2021, Ms. Emanuel seconded, and it passed unanimously.

Respectfully,

Shahana Shamim  
Secretary
