Quite frankly this is municipal business and belongs going to the Township office. I believe it is unacceptable for you to demand that it be kept from the public and not send it to the municipal office. In fact, I believe it is subject to the Sunshine Act and our RTK officer must have access to it. I implore you to rethink this position which is not in the best interest of transparency and therefore the constituents we serve.

Best Regards, Rachel Hendricks

Thank you to everyone who was able to attend the meeting. Our next meeting is scheduled for **Thursday, March 10th at 11 am via Zoom**. I will share the Zoom link information and agenda as we get closer, but please let me know if you will not be able to attend. I have a provided a brief recap of the meeting below.

Well Sampling:

- HRG has requested permission to have a copy of the letterhead for Milford Township and Westfall Township in order to mail out Well Sample Surveys and begin coordination.

Milford Township Alternative Selection:

- Milford Township has chosen to stay in the Plan with potential future connections with the condition that they continue to have no fees other than the IMA Solicitor review fees.

IMA's:

- IMA's were discussed and municipalities should continue to work towards Draft Agreements for the Plan.

County Funding:

- It was discussed that all entities interested in county funding should email Joe Dooley with the items and their costs.
- Once all funding requests are received, Mr. Dooley will circulate a draft letter to the group for review.

Tasks to be done:

1. HRG to mail out and begin coordinating well sampling once letterheads have been received.
2. County funding requests should be sent to Mr. Dooley. Funding Draft Letter will circulate for review.
3. Municipalities and Authorities should continue to progress with draft IMA's for the Plan.

If anyone has any questions, please feel free to reach out.

Best,

Matt
