Subject: Shared Expenditures for Act 537

Dear Sir/Madam,

Supervisors reviewed the correspondence requesting remittance for split costs for the public Hearing for the Act 537 Plan. The Board of Supervisors approved paying these split bills, however they voted not to pay any such future shared expenditures without prior advanced written authorization. Milford Township does not have the same interest in moving this project forward as the other municipalities and will not see benefits on par with the other municipalities. As such, it expects the benefiting municipalities and authorities will be the entities paying future expenses related to this project to accomplish your goals. Please be advised that no future
