Dear Mr. Kovach,

On behalf of Westfall Township, Milford Township, Milford Borough, and Matamoras Borough, please find the attached transmittal letter for the Eastern Pike County Regional Act 537 Plan. There is a link to the full Plan in the transmittal letter. If you have trouble accessing the link, please let me know.

While a Draft version of the Plan was received by the DRBC in August with comments provided in October 2022, the DEP has requested that a copy of the Final Plan be sent to the DRBC with confirmation of receipt.

If you have any questions, please let me know.

Best,
