Ponds are a common feature of the landscape of the Pocono's and provide a source of enjoyment for many landowners. Although they occur naturally in this area, many have been constructed for a variety of purposes.

The Twilight Pond Walk will cover Getting to Know Your Pond Walk & Talk, Pond Water Testing and land Use issues affecting Pond Health. The cost of the workshop is \$10.00 per person and includes educational materials.

Pike County Conservation District and Penn State Extension will be sponsoring the Twilight Pond Walk.
